

Marlboro Fair King Arthur Flour Baking Contest

Rules and Guidelines

Rules:

- 1) You must use King Arthur Flour and provide a UPC from bag. Any kind of baked good is eligible (examples include: breads, pies, cakes, cookies, etc) as long as it uses King Arthur Flour as an ingredient.
- 2) Please include an ingredient list. The baking contest entries are sold at the fair after judging has occurred. For allergy concerns, we appreciate having a list of ingredients.
- 3) Optional: King Arthur Flour would love to have a recipe provided. This would also be nice for other fairgoers who enjoy your baked good. However, we understand that some recipes are family secrets and it is not required to share.

Guidelines:

Entries are typically judged based on these guidelines: Taste, Texture, Creativity, and Presentation. This can be subject to change, but we hope these categories provide a basis for inspiration.

Prizes may vary for the contest, but they are consistently generous! We hope you will enter and enjoy our fair!
